## Instructions to gain access to Calorimetry

- ✓ Read the *General Rules for Access and Use* at the *General Guidelines* section. You need have the *BIP Project Form*, of your Principal Investigator, and the *BIP User Form* filled, to gain access to the Biomolecular Interaction Platform (find there the links of both fillable PDF forms).
- ✓ The first time you contact us, please send e-mail to the responsible explaining the experiments you want to be performed: *Antonio Díaz quintana* ([itc\(at\)ciccartuja\(dot\)es](mailto:itc(at)ciccartuja(dot)es)).
- ✓ If you are interested in using the instrument, you have to pass a course with the responsible. You will get the authorization with the username to access to the instrument, and then, you will be able to made on-line reservations through the web page.
- ✓ If you prefer the experiments to be carried out by the person in charge, fill the *Calorimetry Sample Submission Form* with information of samples and experiments to be performed. Send the completed form and samples to the responsible.
